# Potential Location of Archibald Silver's Property:

## Southeast Corner of NJ-45 (Main St.) at Oldmans Creek, Pilesgrove, New Jersey

In Archibald Silver's Will, his land is referenced as being in Pilesgrove, Salem County, New Jersey, lying on the south side of Oldmans Creek. After consulting with the Pilesgrove-Woodstown Historical Society and through accounts given by local historian, Bennett Pancoast, I believe his property can be found at the southeast corner where NJ-45 (Main Street) crosses Oldmans Creek. (see green oval above).
